Insurance: Cigna PPO – Policy #: CIG-TX-45218977
Primary Care Physician: Dr. Priya Ramesh
Clinic: Fort Worth Family Clinic
Weight: 188 lbs
Height: 5'11"
Blood Pressure: 128/82 mmHg

Physician Notes:

Anthony came in for a routine annual physical with no current complaints. He reports overall good health, exercises regularly, and follows a balanced diet. Vital signs were within normal limits. Labs from last visit showed mildly elevated cholesterol levels. Patient was advised to continue dietary modifications and exercise. No medications were prescribed at this time. Recommended to return in 6 months for follow-up labs to monitor lipid profile.

Signed: Dr. P. Ramesh Date: 07/25/2025
